

Ramadan 3D Countdown Calendar

Things You Will Need

Colour Printer OR Your Local Professional Printing Service

Thick White Paper (Size: A4)

Craft Knife, Metal Ruler and Cutting Mat

Photo Frame OR Poster Hanger OR Washi Tape (For Displaying Your Calendar)

Instructions

1. Use a colour printer to print out the numbered calendar and one or both of the insert sheets. (Colours may vary from the image displayed on screen depending on the printer and type of paper used.)
2. Cut along the square solid line of each window on the numbered calendar.
DO NOT CUT ALONG THE DOTTED LINE!
3. Gently score (indent) the window along the dotted line using the rounded blunt end of a butter knife to create a crease for easy folding.
4. Place one of the insert sheets behind the numbered calendar
5. Display the calendar either in a photo frame with the glass removed, with a poster hanger or sticking to the wall with washi tape.
6. For each day during the month of Ramdan fold open the corresponding numbered window to display a surprise beneath it.
