

Eid Printable Bottle Labels

Things You Will Need

Colour Printer OR Your Local Professional Printing Service

White Paper (Size: A4)

Craft Knife, Metal Ruler and Cutting Mat OR Scissors

Glue OR Double Sided Sticky Tape

Instructions

1. Use a colour printer to print out the designs. Print enough copies to create the number required. (Colours may vary from the image displayed on screen depending on the printer and type of paper used.)
2. Cut out the Bottle Labels. (For the best result use a craft knife, metal ruler and cutting mat.)
3. Apply glue or double sided sticky tape along the back end of a label.
4. Wrap the Bottle Label around a bottle, so the two ends meet, then join with the glued side. (If the ends of the label don't meet together due to the size of the bottle, simply apply glue or tape to both ends and stick.)
5. Repeat for all Bottle Labels.
